Subject: Invitation to invite your students to participate in the 4th PIM International Hackathon competition

Dear Dean,

Attachments:

1. Details of the 4th PIM International Hackathon competition, University level
2. Poster for the 4th PIM International Hackathon competition

The international college at Panyapiwat Institute of Management is hosting the **4th PIM International Hackathon** on the topic **"Sustainable Well-being towards Zero-Green-Clean Economy"** from **1 - 16 November 2024**. This international hackathon competition offers **prizes worth up to 200,000 baht**, including a scholarship from International College at the Panyapiwat Institute of Management and opportunities to further advancing your idea to the next level with our established partners.

The objective of this competition annually hosted is to promote awareness of social and environmental issues, nurture innovative business ideas among young creators, and advance towards a zero-emission, green, and sustainable economy. **The application period is opened from 01 August to 27 October 2024**, with **no entry fee required**. A team may consist of 3 to 5 members.

The 4th PIM International Hackathon – The University League:

- **Opening Ceremony (Qualified Team Announcement):** 1 November 2024
- **Mentoring Session:** 5 - 6 November 2024
- **Semi-Final Round:** 13 November 2024
- **Final Round:** 16 November 2024

Please find the competition details in attachments to request your kind permission to invite your students to participate in this competition. You can learn more details and update news on **Facebook: PIMInterhackathon** or contact us **by email** < icisa_hackathon@pim.ac.th > or by phone 02-855-0742.

Sincerely yours,

Mr. Thannaphat Kasemwattanasuk
Head of IC International Startup Academy
