Summer Training 2027 for KMITL Students

Institution/ University's name: Kochi University of Technology

OIA

Student Specifications that host needs					Host Information		
Field of Study / Research Topic (with Description)	Number of Students		Expected Student Level *Please specify: undergraduate (year), graduate, or any*	Special Requests (Example: English proficiency, academic background, gender preference, or other specific conditions)	Place of Training (Host Laboratory/ Department and Mentor's name)	Address of Accommodation	Training Period (from……to……..) *Please specify the start and end date of the training program*
	Male	Female					
1 **Systems Engineering** ・Intelligent Mechanical Engineering ・Aerospace Engineering ・Energy Engineering ・Electoronic and Photonic Engineering ・Architecture and Infrastructure Design	TBD	TBD	Bachelor Student (Ideal for the third year undergraduate students or higher)	Enough communication ability in English to engage in the training program	Kami main campus	International House 185-1 Miyanokuchi, Tosayamada, Kami City Kochi 782-0003 Japan *Approx. 1-1.5 hours to commute to Eikokuji downtown campus*	May 10 - June 25, 2027 (or to be decided based on the consultation with the host professor)
2 **Engineering Science** ・Applied Physics ・Functional Chemistry ・Life and Bioinformation Science							
3 **Informatics** ・AI and Computer Science ・Cyber Reality ・Brain Informatics and Psychoinformatics							
4 **Data and Innovation (D&I)** ・AI and Data Science ・Digital Innovation					Eikokuji downtown campus	Takasone Dormitory C 20-20 Takasone, Kochi City Kochi 780-0071	
5 **Economics & Management** ・Human Behavioral Sciences ・Economic and Social Design Sciences ・Mathematical Studies in Management and Economics ・Regional and Public System Sciencess ・Business Management and Entrepreneur Sciences ・International Studies in Management and Economics ・Sports Studies in Management and Economics							
6 **For Master Students** ・Intelligent Mechanical and Aerospace Engineering Course ・Electronic and Photonic Engineering Course ・Architecture and Infrastructure Design Course ・Engineering Sciences Course ・Informatics Course ・Digital Innovation Course (https://www.kochi-tech.ac.jp/english/academics/graduate/masters-program.html)			Master Student		Digital Innovation Course: Eikokuji downtown campus Others: Kami main campus	Digital Innovation Course: Takasone Dormitory C Others: International House	
7 **For Doctoral Students** Engineering Course (https://www.kochi-tech.ac.jp/english/academics/graduate/doctoral-program.html)			Doctoral Student		The place of training varies depending on the host supervisor.	The one closer to the place of training among the above.	

Total number of students **3 - 5**

Faculty members_KUT: https://www.kochi-tech.ac.jp/english/about/member/

Professors who accept short-term international students <KUT recommend students to choose a professor from the list shown the webpage below>

https://www.kochi-tech.ac.jp/english/admission/non_degree/short-term-research-support-program-for-international-master-students.html
